Attention: Ms. Sue Kiser

Dear Ms. Kiser:

With this letter, I am forwarding the Southern California Association of Governments' (SCAG) Administrative Amendment No. 28, which makes technical adjustments to their 2004/05-2009/10 Federal Transportation Improvement Program (FTIP). These projects do not require a re-determination of the air quality conformity analysis and are exempt from conformity per Code of Federal Regulations Title 40 Section 93.126. This amendment does not affect timely implementation of Transportation Control Measures (TCM's) or financial constraints, and does not result in major scope changes.

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti", with a long, sweeping underline.

Office of Federal Transportation Management Program
